Petra Visit and the Nabati Show

The experience begins by encountering two guards at the 'Siq', the narrow gorge that forms the entrance to the city. Once visitors have made their way past the amphitheater and deeper into Petra, those visitors are treated to soldiers performing a poetic dance designed to transport spectators back in time and reveal 'the Art of Warfare'. This un-missable spectacular event.

Dead Sea

Post breakfast we drive through the wonderful landscapes and mountains and through the King Hussain highway towards the beautiful shores of the Dead sea.

A spectacular natural wonder - the Dead Sea is the Earth's lowest elevation point. It's aptly named the Dead Sea as the water is devoid of life and with salt levels 4 times higher than the rest of the world's oceans, it's a case of floating rather than swimming! The water contains 35 minerals and these, together with the rich mud on its shoreline, make it a spa treat for the skin.

We will handover our Land cruisers as our wonderful self drive journey concludes at the dead sea.
